Registration Guidelines for New Families

FALL 2009

It is very important that you read and understand the following information.

To insure that you get the classes that you want, you must turn in your family application and registration forms as soon as possible after registration is open to **new families**.

Registration for **new families** will open on **Monday, February 16th at 8:00 AM**. A registration form and deposit must be submitted for each student. **A registration form will not be assigned priority unless it includes the required \$400 per student registration deposit.** (Unless the student is not accepted for admission to CLPS, this registration fee is non-refundable.)

Please make a note on your calendar that the **first tuition payment** for the Fall semester will be due on **May 15, 2009**. This payment will be one-sixth of the total tuition due less the registration fee. A 5% discount will be applied for all tuition paid in full for each student on or before **March 15th**. A family with multiple students enrolled at CLPS can take advantage of this policy on a per-student basis.

Please carefully select the classes that you will register for. If your student is accepted, there will be fees applied when a course is dropped. In addition to the non-refundable \$400 registration deposit, a \$25 drop fee per class will be applied and all tuition due before the drop date will also be non-refundable
