

STUDENT DRESS CODE – ELEMENTARY (K-6)

(updated Oct 2007)

Dress Code Policy

The purpose of the dress code is to present a positive image, minimize distraction, and provide an environment conducive to learning. All students are expected to maintain good grooming habits and appropriate dress. Students in violation of the dress code will be sent to the office, and a parent will be called to bring appropriate clothing to their child. If you see someone wearing something, do not assume that it is dress code. Although a student in violation of the dress code may have inadvertently been allowed to attend one or more classes, this does not mean that a student cannot be referred for a dress code violation later in the day. **Students must wear a CLPS uniform while attending any school activity unless otherwise notified.**
